Jenny Grace Pierce

Dear Friends,

Karin and I praise the Lord for the birth of our daughter on June 28, 2006 at 10:45 P.M. Weighing 5lb 10oz and 20 inches long. We are so privileged to be parents of a beautiful child that we know the Lord gave us through prayer. We thank you for being our prayer partners during this time. Karin spent a month in the hospital before delivery to help safeguard against the complications. She spent this time at Calgary, Canada. We are now working on the paperwork for Jenny so we can depart for Germany in the near future. We will be paying \$5000.00 out of pocket expense along with our Insurance for the medical expense due to the pregnancy. We ask you to pray with us concerning this great need to be met. We would very appreciative of any special gifts to defray this unexpected financial need.

We are very thankful to report three more souls being saved. We have had the opportunity of telling many about Christ during our stay in Calgary. Karin was a great testimony during her hospital stay telling many about Christ and our ministry. The hospital staff was amazed at what we do in our ministry. We found a great church while being In Calgary that was a great blessing to us during our stay.

We are very thankful that we have our apartment in Germany waiting for us when we arrive. It will be a great place near our ministry. We are looking forward to serving as a family to the many in Heidelberg Military Community. The ministry is awaiting our soon arrival and we are very eager to help many in this work. We will continue to monitor the new areas developing and look to take some survey trips down the road after we get settled in.

Training Soldiers For Christ,

Harold and Karin Pierce
