Special Prayer Letter

Dear Praying Friends,

Karin and I want to send out this special update to let you know the Lord is leading us back to Germany to work along side a fellow BIMI missionary in Heidelberg, Germany. We will be working there six months to a year, waiting on the new bases to be opened up in various parts of Eastern Europe as the military makes its announced base movements. We have seen some base closings and realignment in Germany. We will be looking to start a new work as the Military moves into these new areas.

We are planning on leaving March 26 for 45 days to be with Karin's parents, who are missionaries in Canada, so Dad and Mom can see their daughter, and so we can fill in for them as they visit a few churches to raise some much needed support. We will be leaving for Germany after the 15th of May from Canada.

We are currently at 86% of our support. The euro to the dollar is still a struggle. We will need to be at 100% before leaving. We need more of the new churches that we have visited to add us for financial support to help us return.

We are also only shipping a few boxes back. We will need to purchase a vehicle and get an apartment and all the necessary things to live over there. We are starting from scratch in this area. We have about \$3,700 in our passage fund. We would be very grateful of any special gifts you could help us on this need. Thank you for your love and faithfulness to our ministry.

Harold and Karin Pierce
